It is the intent of LiviaSoft Technologies, LTD to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

## **2.0 Scope Of Policy**

## 5.0 Other Irregularities

Irregularities concerning an employee's moral, ethical, or behavioral conduct should be resolved by departmental management and the Employee Relations Unit of Human Resources rather than the Public Affairs Unit.

If there is any question as to whether an action constitutes fraud, contact the Director of Public Affairs for guidance.

## 6.0 Investigation Responsibilities

The Public Affairs Unit has the primary responsibility for the investigation of all suspected fraudulent acts as defined in the policy. If the investigation substantiates that fraudulent activities have occurred, the Public Affairs Unit will issue reports to appropriate designated personnel and, if appropriate, to the Board of Directors through the Audit Committee.

Decisions to prosecute or refer the examination results to the appropriate law enforcement and/or regulatory agencies for independent investigation will be

made in conjunction with legal counsel and senior management, as will final decisions on disposition of the case.

## 7.0 Confidentiality

The Public Affairs Unit treats all information received confidentially. Any employee who suspects dishonest or fraudulent activity will notify the Public Affairs Unit immediately, and should not attempt to personally conduct investigations or interviews/interrogations related to any suspected fraudulent act (see **REPORTING PROCEDURE** section below).

Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important in order to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct the Company from potential civil liability.

## 8.0 Authorization for Investigating Suspected Fraud

Members of the Investigation Unit will have:

- Free and unrestricted access to all Company records and premises, whether owned or rented; and
- The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any individual who might use or have custody of any such items or facilities when it is within the scope of their investigation.

## 9.0 Reporting Procedures

Great care must be taken in the investigation of suspected improprieties or irregularities so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way.

An employee who discovers or suspects fraudulent activity will *contact the Public Affairs Unit immediately*. The employee or other complainant may remain anonymous. All inquiries concerning the activity under investigation from the suspected individual, his or her attorney or representative, or any other inquirer should be directed to the Investigations Unit or the Legal Department. No information concerning the status of an investigation will be given out. The proper response to any inquiries is: "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the

crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

The reporting individual should be informed of the following:

- Do not contact the suspected individual in an effort to determine facts or demand restitution.
- Do not discuss the case, facts, suspicions, or allegations with any-one unless specifically asked to do so by the Legal Department or Public Affairs Unit.

## 10.0 Termination

If an investigation results in a recommendation to terminate an individual, the recommendation will be reviewed for approval by the designated representatives from Human Resources and the Legal Department and, if necessary, by outside counsel, before any such action is taken. The Public Affairs Unit does not have the authority to terminate an employee. The decision to terminate an employee is made by the employee's management. Should the Public Affairs Unit believe the management decision inappropriate for the facts presented, the facts will be presented to executive level management for a decision.
